\*2015 Tournament Schedule was presented. Schedule is listed on the website. - Tournament Fees are \$20.00 - Non-boater fee for the 2015 season is \$25.00 + ½ the launch fee - Tournament

Committee reviewed the schedule and format for the 2015 season.

- Members are reminded that all persons who wish to fish an event must have the entry fee paid

prior to the draw. Coupons are available with no expiration date and can be called in using the Number # on the ticket, which do not expire. No exception to this rule!

-The club voted to launch at Pendergrass instead of Long Point and put the \$65 permit fee towards the payout.

PROPOSALS: "Canadian water proposal"

Basically if the boater holds a Canadian fishing license and wants to fish Canadian water during an event but draws a non-boater who does not possess a Canadian license then the non-boater fee of \$25.00 must go towards the purchase of a 1 day Canadian sport fishing license for the day. This will be voted on at the February meeting, if you are unable to attend please contact Pat Schlosser with your vote before the meeting.

-The club has tabled the addition of a tackle box raffle for the 2016 season to be added along with the gift cards. This Tackle box will be on display at the 2016 show season along with the choice of a gift card selection. This will hopefully draw more funds while on display at the events we are at.

-Coach has asked the club to help with a fishing event at the N. Forest pond to teach fishing methods for a local Girls club.

-The Falls show was a huge success with tons of compliments from all who attended, Thanks to all who helped out.
